People's Wave App offers convenience and ease of use to conduct financial transactions from your smartphone no matter where in the world you are located. The App has stringent security features to protect customer data privacy. The People's Wave App has been designed to facilitate the most basic banking transactions without the need to visit a branch:

- Enables over 50 types of facilities.
- Offers same access for People's Web-Retail & People's Wave-Mobile App
- Gives you your Bank in your pocket and your fingertips

- Simple to use and saves time spent on commuting to the bank or waiting in long queues / line
- Secured by OTP – A code is sent to your email or via SMS to your smartphone to double check that you are conducting the transaction, ensuring your account cannot be misused.

People's Wiz

People's Wiz Accounts is a paperless digital solution instead of the conventional account opening process. People's Wiz offers the convenience of opening a bank account from the comfort of your home, office or from literally anywhere. Powered with an advanced application on tablets, People's Wiz Accounts is a fast and smooth experience. The Express Banking element in People's Wiz Accounts eliminates the hassle of extensive paper work and copies of photographs and KYC documents. Instead, the People's Bank's Digital Agent visits a place of your convenience, clicks your photograph and scans the necessary documents required to open a People's Bank account with the help of a tablet
